INSTRUCTIONS

1. Wipe down the plate with a damp sponge to remove ceramic dust.
2. Starting with a watery brush, mix up the water with the glaze. Load up the brush then starting at the bottom of the lines, pull the line up towards the top of the planter.
3. Alternate the different sizes of brushes and colors to create stripes on all sides of the planter.
4. Paint short lines in different directions in patches with Licorice.
5. Using the new eraser of a pencil, make Licorice dots along the top rim of the planter.
6. Clear glaze then stilt and fire to Cone 06.
