INSTRUCTIONS

1. Wipe a damp sponge over the surface of the pottery to remove dust and contaminants.
2. Trace the pattern onto the tissue paper with a pencil.
3. Place the tissue paper over the pottery and trace over the pencil lines with a dark water-based marker. Hold onto the tissue carefully so that the design doesn't shift as you trace.
4. With a liner brush, carefully paint 2 thick coats of Licorice over the "Love is Love" lettering.
5. With a small liner brush, carefully outline around the black lettering with 2 thick coats of the bright colors. Use the following colors from the inside out: Grape Soda, Ghostly Grape, Carnation, Coral Reef, and Carrot Juice.
6. Paint 2 thick coats of Carrot Juice around the inside edge of the tray.
7. Using the back of a pencil like a stamp, make Licorice dots on the top rim of the tray to make a border.
8. With a toothbrush, splatter some Licorice on the tray.

TIPS

- Allow paint to dry between coats.
- Wash brush between colors.
- Use a contrasted colored marker to make the pattern more visible as you are painting.
- Use masking tape to hold the tissue paper while you are tracing if it shifts.
- To get thinner lines with your liner brush, press down lightly. The harder you push on the brush, the thicker your lines will be.
- Periodically rinse your liner brush to remove color build-up to keep your lines a consistent size.
