INSTRUCTIONS

1. Wipe a damp sponge over the surface of the pottery to remove dust and contaminants.
2. Trace the pattern onto the tissue paper with a pencil.
3. Place the tissue paper over the pottery and trace over the pencil lines with a dark water-based marker. Hold onto the tissue carefully so that the design doesn't shift as you trace.
4. Fill a writer bottle with some Licorice.
5. With the writer bottle and medium tip, trace over the lettering.
6. Paint 3 coats of Ghostly Grape, Coral Reef, Blush, and Carrot Juice in a random pattern on the flower petals.
7. Paint 2 thick coats of Grape Soda around the edge of the plate along the rim to make the flower middle.
8. Using the back of a brush like a stamp, make Sea Mist and Kiwi dots on the outside edge of the plate along the flower petals.

TIPS

- Allow paint to dry between coats.
- Wash brush between colors.
- Use a contrasted colored marker to make the pattern more visible as you are painting.
- Use masking tape to hold the tissue paper while you are tracing if it shifts.
