INSTRUCTIONS

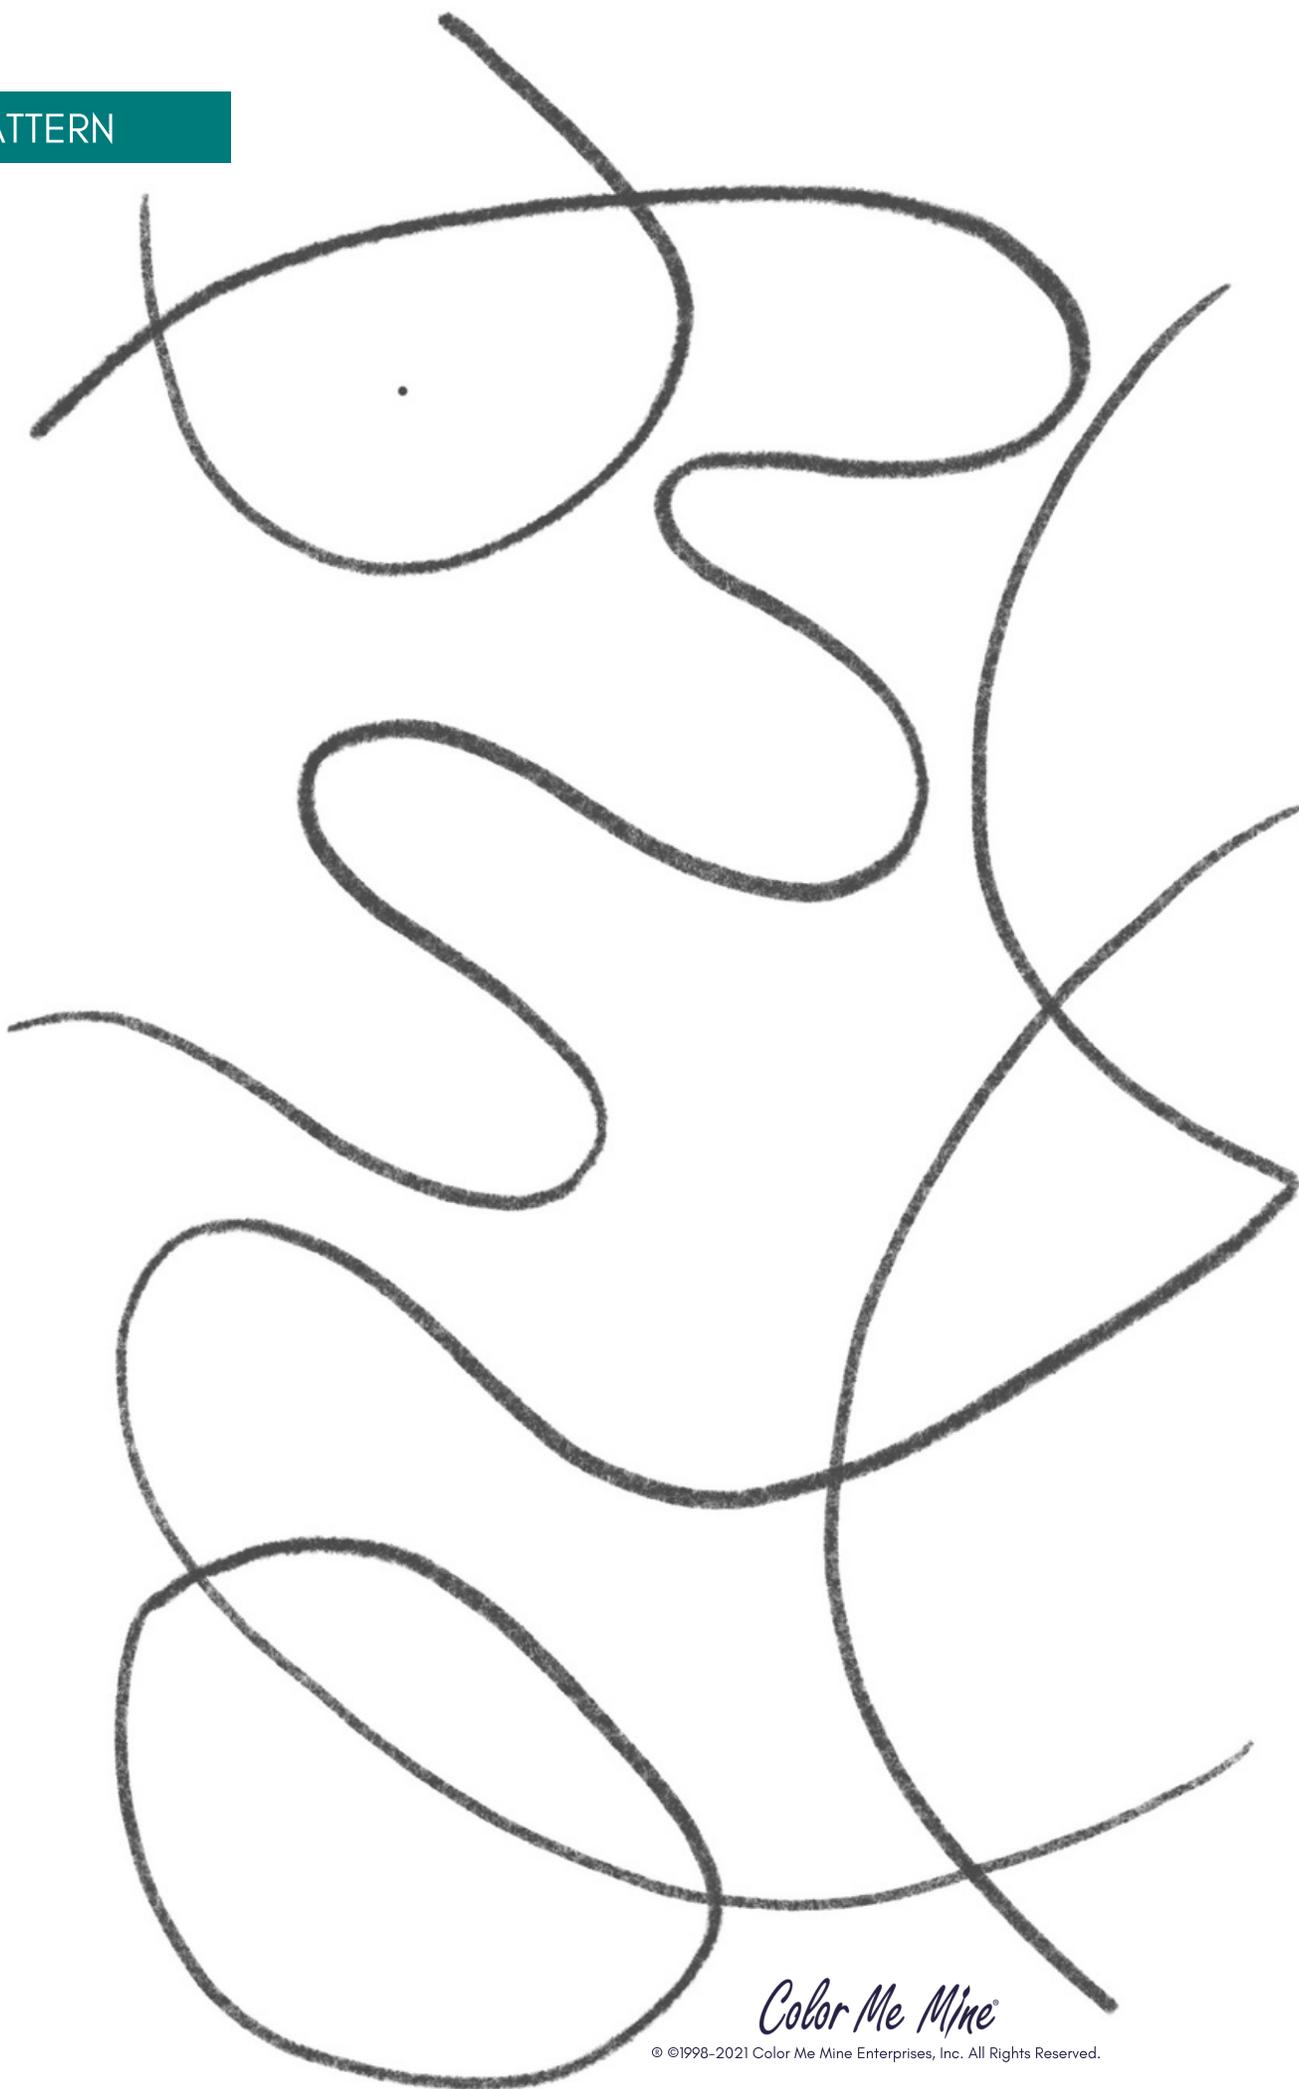

1. Wipe a damp sponge over the entire plate to remove dust and contaminants.
2. Lightly pencil abstract shapes for the background colors.
3. Paint 3 coats of Guacamole, Kiwi, and Sea Mist on the overlapping abstract shapes.
4. Let the greens dry until the color looks chalky and has completely lost its shine.
5. While the background is drying, trace the silhouette pattern onto the tissue paper with a pencil.
6. Place the tissue paper over the pottery and trace over the pencil lines with a dark water-based marker. Hold onto the tissue carefully so that the design doesn't shift as you trace.
7. Paint 3 coats of Licorice on the leaves and plants.
8. Add details on the monstera leaf and cactus with 3 coats of Snow Flake.
9. Using the back of a pencil like a stamp, make Sea Mist and Carnation dots as accents to fill in empty space around your designs.
10. Using the back of the pencil like a stamp, add Licorice dots around the outside edge of the platter.

TIPS

- Allow paint to dry between coats.
- Wash brush between colors.
- Use a contrasted colored marker to make the pattern more visible as you are painting.
- Use masking tape to hold the tissue paper while you are tracing if it shifts.
