

INSTRUCTIONS

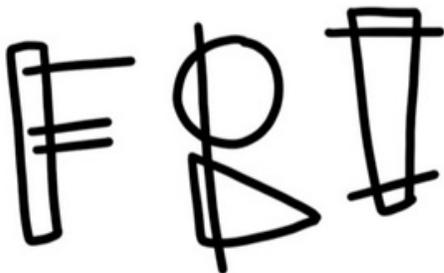

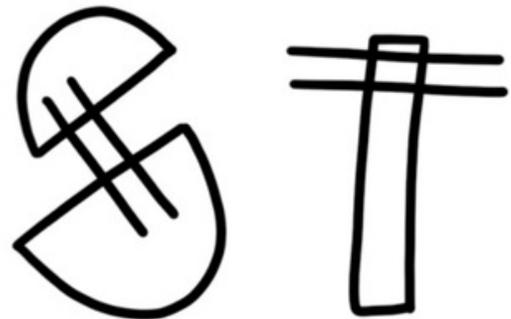

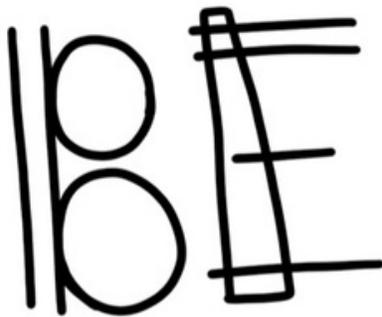

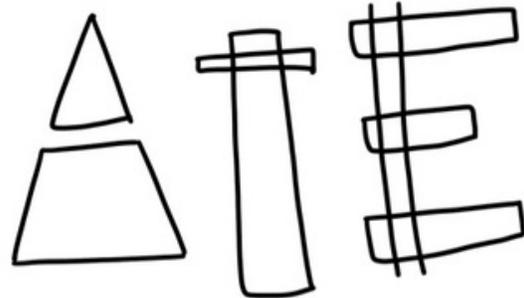

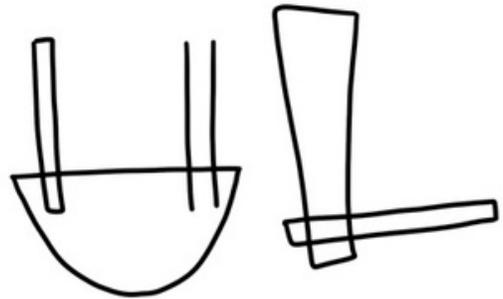

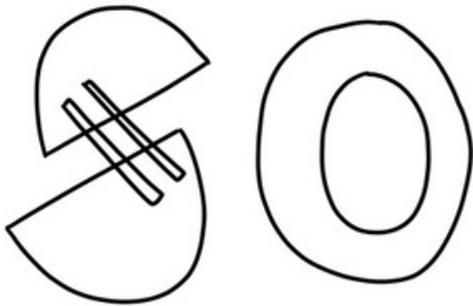

1. Wipe a damp sponge over the pottery to remove dust and contaminants.
2. Trace the pattern onto the tissue paper with a pencil.
3. Place the tissue paper over the pottery and trace over the pencil lines with a water-based marker. Hold onto the tissue carefully so that the design doesn't shift as you trace.
4. Paint 2 coats of the following colors on each of the letters:
 - B: Pink Berry and Ghostly Grape
 - E: Sunny Side Up
 - S: Margarita and Pink Berry
 - T: Sea Mist
 - F: Sea Mist
 - R: Oceanscape and Margarita
 - I: Pink Berry
 - E: Oceanscape
 - N: Ghostly Grape
 - D: Sunny Side Up
 - S: Pink Berry and Oceanscape
5. With a liner brush, carefully paint 1 thick coat of Licorice on the letter details.
6. Water down some Licorice, dip your brush into the color, and tap the brush on your other hand and make splatter texture on both plates.

TIPS

- Allow paint to dry between coats.
- Wash brush between colors.
- Use a contrasted colored marker to make the pattern more visible as you are painting.
- Use masking tape to hold the tissue paper while you are tracing if it shifts.
- To get thinner lines with your liner brush, press down lightly. The harder you push on the brush, the thicker your lines will be.
- Periodically rinse your liner brush to remove color build-up to keep your lines a consistent size.
