INSTRUCTIONS

1. Wipe a damp sponge over the pottery to remove dust and contaminants.
2. Trace the pattern onto the tissue paper with a pencil.
3. Place the tissue paper over the pottery and trace over the pencil lines with a water-based marker. Hold onto the tissue carefully so that the design doesn't shift as you trace.
4. Paint 2 coats of Margarita on the oval shape around the cassette details.
5. Paint 2 coats of Sea Mist on the cassette label.
6. Paint 2 coats of Pink Berry on the outside border of the cassette.
7. Paint 2 coats of Ghostly Grape on the bottom center of the cassette.
8. Paint 2 coats of Oceanscape on the tape and tape holes.
9. With a liner brush, outline and detail the design with 1 thick coat of Licorice.
10. Using the back of the pencil, make Licorice dots in the corners.
11. With a toothbrush, add some Licorice splatter.

TIPS

- Allow paint to dry between coats.
- Wash brush between colors.
- Use a contrasted colored marker to make the pattern more visible as you are painting.
- Use masking tape to hold the tissue paper while you are tracing if it shifts.
- When doing splatter with a toothbrush, be careful not to load it with too much color so it doesn't glob too much.
