INSTRUCTIONS

1. Dip your sponge into Chiffon and sponge on two heavy layers to the top 1/2 of the mug and handle.
2. Dip a new sponge into Carnation and sponge to the top half of the mug, when your sponge has just a little paint in it, go ahead and gently tap it up onto the Chiffon. If you want to soften that blend even more, lightly sponge Chiffon down onto the Carnation.
3. Take a new sponge and dip into Coral Reef. Starting at the bottom, apply 2 heavy layers. When the sponge has just a little paint in it, go ahead and gently tap it up onto the Carnation. If you want to soften that blend even more, lightly sponge Carnation onto the Coral Reef.
4. Paint the inside of the mug with three coats of Chiffon using a fan brush.
5. Finally use the writing bottle with Licorice to write the phrase of your choice.

TIPS

- When blending with a sponge, make sure the sponge doesn't have much paint on it when you're going between the two colors to help it softly blend.
- Going back and forth sponging between the colors will help make the perfect blend.
- Before you write, use a water-based marker to gently write out your phrase.
