INSTRUCTIONS

1. Use a large brushes to apply 3 coats of Chiffon to the top of the cup, we left the inside unpainted.
2. Next, a large brush to apply 3 coats of Red Hot to the center section of the cup.
3. To make the stripes you can put masking tape on the stem, or you can use just your liner brush to paint stripes around the stem. They don't have to be perfect! We did 2 good coats.
4. Finally paint 3 coats of Guacamole to the base of the cup.

TIPS

- Be generous with the paint to get the most even color.
- If you use tape for the stripes, brush a layer of white ON TOP of the tape before you paint the Guacamole stripes, this will insure a cleaner line.
