## INSTRUCTIONS

Plate:

- 1 Put several tablespoons of Lemon Mist into your small mixing cup and apply a pinch or two of Silkscreen Medium. Stir up and let sit for 5 minutes. Stir again. You're looking for the consistency of pudding, if it's too thick, add more Lemon Mist paint and stir until you're getting the pudding consistency.
2. Use either your screen squeegee or finger apply the gingham to the background of the plate with the Lemon Mist paste. Allow to dry.
3. Either use the NCR pattern and a pen to apply the lemons or you can freehand them making circles.
4. Apply 3 coats of Sunnyside Up to the lemons.
5. Use your detail brush to apply 2-3 coats of Mango Madness for edges and lines.
6. Use the stick end of the brush and dip it into Mango Madness, then tap the handle down on the plate to apply the dots.

## TIPS

- Use light pressure with your detail brush to get skinnier lines.
- Be generous with the paint to get the most even color.
