INSTRUCTIONS

1. Paint the pumpkin with two coats of Banana Boat.
2. Use your medium brush to tap it onto the top half of the pumpkin to make a layer of dabs.
3. Paint the bottom third of the pumpkin with two layers of Olive You.
4. Use your medium brush to tap it up to about the halfway point with Olive you to bring the dabs up overlapping on the yellow.
5. Use your medium brush to tap of scattered dabs of Kiwi to the middle part of the pumpkin, bringing some up on the yellow and some down on the green.
6. Again, use the medium brush, this time to tap on scattered dabs of Safari to the middle part of the pumpkin, bringing some up on the yellow and some down on the green.
7. Paint the stem of the pumpkin using 3 coats of Chocolate.
8. Finally add a few streaks of Safari on the stem to add some texture to the stem.

TIPS

- Be generous with the paint when you tap the brush to get good color on your dabs.
- Allow the colors to overlap to get a more dynamic piece.
