INSTRUCTIONS

1. To paint this platter we are going to use a liner brush to paint funky stripes going across the plate.
2. Don't worry about making a pattern on the colors, go random, it comes out cuter that way.
3. We started from the middle and worked our way out on the sides, doing one coat of the color as we went.
4. Then we went back and did 2 more coats on each stripe by doing all the orange together, then all the mint together etc.

TIPS

- 3 coats of paint will give you nice solid colors.
- Don't be too stressed about the stripes being perfect, we are going for cute and quirky
- The harder you push down on the brush, the thicker the line will be.
