INSTRUCTIONS

1. Start by painting the outside of the pitcher with 3 coats of Chiffon using a fan brush.
2. While the outside is drying, you can paint the inside and the top rim with 3 coats of Carrot Juice.
3. Once the pink is dry, paint the handle of the pitcher with 3 coats of Fresh Heather using a medium brush.
4. Allow everything to dry before tracing on your patterns. You'll trace on the letters first and then fill the rest around it.
5. Fill in your bottles using a detail brush and alternating between Fresh Heather, Orange Juice, and Gumdrop. Apply 2-3 coats.
6. Fill in your cauldrons with 3 coats of Ghostly Grape and Gumdrop for the steam.
7. To fill in the witch's hats, use Orange Juice for the band and Stonewashed for the hat. We did three coats of each using the detail brush.
8. Use the stick end of your brush and dip it into your Carrot Juice paint. Then, stamp it on the pitcher to make a dot. Repeat until you have the desired amount of orange dots.
9. Repeat step 6 using Stonewashed and Ghostly Grape.
10. Add the outlines to the bottles and cauldrons using your detail brush and Licorice paint. We just did one side of the cauldron.
11. Finally, Use Stonewashed, Orange Juice, and Ghostly Grape to add in the corks on the bottles. We did one heavy coat using a detail brush.

TIPS

- 3 coats of paint will give you nice solid colors.
- Don't be too stressed about the items being perfect, we are going for cute and quirky.
- The harder you push down on the brush, the thicker the line will be. So, on the details keep the brush straight and don't press down to get the finest lines.
- If you want all your dots to be the same size, dip the stick into the paint every time you dot down. That keeps them all uniform.
