INSTRUCTIONS

1. Using the NCR pattern to sketch on the speech bubble to the side of the mug, we will use the words later.
2. Paint all of the background of the mug, working around the speech bubble, with 3 coats of Gum Drop.
3. Fill in the speech bubble with 3 coats of Carnation.
4. While you're waiting for the outside to dry, paint the inside and the handle with 3 coats of Red Head.
5. When the outside of the glass is dry, use either your NCR pattern or just a marker and sketch on the writing.
6. Use a detail brush to apply one heavy coat of Licorice to the small words, and Red Head to the "She-nanigans".
7. Finally, water down some Licorice paint with 50% water to 50% paint. Apply a messy double outline to the outside of the speech bubble.

TIPS

- When using a detail brush, the harder you press on the brush the heavier the lines will be
- We intentionally did a messy, overlapping, double outline to make it look sketched on.
